VISA Gift Cards

Graduation season is coming up and the perfect gift is a gift card. The credit union has them for the low price of \$3 per card and they can be purchased in most any increment. Think of us when you need the perfect gift and save some money!

Phone Issues

Thank you for your patience as we worked through some telecom issues the last few weeks. Evidently a piece of equipment failed and no one realized it until we continued to have problems with our lines. We are looking at our telecom options with other vendors to ensure we do not have this experience again.

Although the staff suffered through some inconvenience, the credit union was able to process payments, transactions and files the entire time.

Car Loans

Please consider the credit union when looking for your next car loan. We offer competitive rates on new and used vehicles. The best part is that we are always here if you have any questions no matter how small. You will not have to call into an 1-800 number and talk with someone who doesn't know you or your personal situation. We are here for you!
